Agrees with this opinion
Subject: Govt has been giving sites to the
Sindhi Refugees in Bangalore.

1. Several representations have been received from the President of the Refugee Seva Samiti, Bangalore City urging that building sites may be provided to the Sindhi Refugees for their rehabilitation in Bangalore.

2. When the question of affording facilities to "Refugees" for their settlement at Bangalore was discussed by the Council of Ministers at their meeting held on 9-7-1948, it was decided among other things that "Government are prepared to consider the question of granting about 200 sites to the Sindhi Refugees on the same basis as to citizens of the State in Bangalore, but the rest of them must be prepared to settle in mofussil areas".

3. The above decision of the Council was communicated to the Chairman, City Improvement Trust Board, Bangalore, who was also requested to furnish his views on the representation received from the President of the Refugee Seva Samiti for the grant of sites, as noted in para one above.

4. The Chairman of the Trust Board has now sent the following resolution passed by the Board, after considering the representation in this behalf and the views of Government in the matter -

"The Board is of the view that 100 sites be reserved for bonafide Sindhi Refugees in Jayanagar Extension for the present. They however feel that all these should not be in one block, but in different places, as otherwise it would develop a separatist tendency among them".

5. When the file was submitted to the Home Minister seeking orders on the above resolution, he was pleased to minute as follows -

"One hundred sites may be granted." The Chief

Minister also agrees with this opinion.

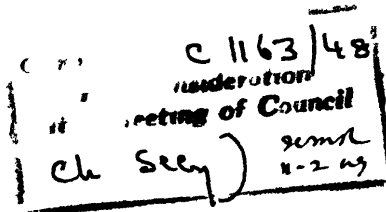

6. As the question has been ordered by the Dewan to be disposed of at a Council Meeting, the above note is circulated.

7. The point for orders is -

(a) Whether 100 building sites only may be granted to the Sindhi Refugees in the Jayanagar Extension for the present, and

(b) Whether the question of granting 100 sites in other extensions to be formed may also be considered later, in view of the resolution of the Council, noted in para 2 above.

Dear Sir,

I am in receipt today from your Office copy of Government Order No L 12456-61/M 108-48/29 of the 27 4 1949 directing "that one hundred more sites in addition to the hundred sites set apart in the Jayanagar Extension be granted to the Sindhi Refugees for the construction of houses on the same basis as to the citizens of the State, in Bangalore"

Please convey my heartfelt thanks to the Government for this kind gesture to the Sindhi Refugees

The Government will be adding to their favour if they will kindly expedite the grant of these 200 sites to the Sindhi Refugees as much as possible. Due to shortage of houses in the City, the Refugees are obliged to pay very heavy rents and deposits which many of them can ill afford to pay.

I shall be glad to know when exactly the sites will be granted.

Yours faithfully,

Dear Sri Mariappa,

I was very happy to learn from you on the telephone this morning that your Government would be prepared to allot about on hundred building sites to the Sindhi Refugees if they formed themselves into a Building Co-operative Society. You were pleased to say that these sites can be near Bangalore, say in the Kankalpalya Extension or in any other place away from Bangalore but not quite far from it. In the latter case you were pleased to say that you would permit the Society to run a bus

To enable me to place the matter before a gathering of representative refugees, I shall be obliged if you will kindly let me have the following particulars -

- 1 The exact location where the sites will be available if they are not to be in Kankalpalya Extension
- 2 The dimension of the sites
- 3 The cost of each site
- 4 Will the Govt be prepared, if necessary, to recover the value of the sites in convenient instalments
- 5 Will the Govt be pleased to help in the formation of sites if the refugees are allotted same outside Kankalpalya
- 6 Will the Govt be pleased to help in

2 It was also explained that Government desired that the Board should reserve 200 sites for the refugees and that their cases needed the sympathy of the Board

3 Some of the members were of the view that the previous resolution of the Board on the subject be reiterated and that it was enough if 100 sites were granted to the refugees for the present and that they may not be allotted sites in one place but distributed here and there

4 After some discussion, the Board passed the following resolution -

"That the Board is of the view that 100 sites be reserved for bonafide Scindhi Refugees in Jayanagar Extension for the present. They however feel that all these should not be in one block, but in different places, as otherwise it would develop a separatist tendency among them"
